

# 7 WAYS TO CONNECT WITH THE NATURE

## Mountain Biking

Human powered, gravity inspired. Enjoy the rough terrain. Protect the places you ride.

## Climbing

Conquer the unclimbed in Patagonia. Preserve the mountains with Patagonia.

## Trail Running

Run to connect with the nature and fight to protect the land.

## Snow

Entertained by snow, united by snow, preserve the mountains that define you.

## Kite Surfing

Experience the magic of waves. Save the ocean of wonders.

## Surfing

Our planet is 71% water, jump in! Connected by water, fight for water conservation

## Fly Fishing

Stand in the water, stand for the water.
